

"Father beyond all finding out"
(ultimately transcends Forms, Craftsman and World Soul)

FORMS
eternal, unchanging

|
|
|

MIND
or
CRAFTSMAN
brings order out of chaos

|
|
|

by fashioning the SENSIBLE WORLD and animating it through fashioning WORLD SOUL
as it works with

|
|
|

MATTER
pre-existing

Note: finite souls (humans) who are eternal, have come from the supersensible world into the sensible world where they are not "at home", imprisoned as they are in a body, and can be freed only by being released from embodiment. I.e., embodiment is the "problem" that must be resolved if they are fully to be themselves.
